# ABOUT US

Hi, I'm Heather — a licensed marriage and family therapist, a proud mom of two vibrant girls, and the founder of Shine Bright, Sis!

Before this business was born, I spent over a decade walking alongside children and families through some of life's most difficult seasons. My work in nonprofit settings, with at-risk youth, children in foster care, and survivors of trauma, shaped my belief that every child deserves to be seen, heard, and celebrated. That same heart carried into my own home, where I found healing and magic in the everyday moments spent creating with my daughters. Through glitter, make-believe, and hours of imaginative play, I saw their confidence bloom — and I saw just how powerful safe, joyful spaces can be.

Inspired by their bond as sisters and their bold, beautiful imaginations, Shine Bright, Sis! became more than just a party business. It became a mission: to blend therapeutic insight with whimsical celebration — helping girls build confidence, express themselves, and feel empowered just as they are.

# FAQS

## What is your travel fee?

Outside of our 20-mile delivery zone we charge \$1.50 per mile overage per hostesses hired for your party.

## When is final headcount needed?

2 days prior to your event. It is not guaranteed we will be able to accommodate additional guests last minute, and fees will be added for each additional guest accommodated.

## What do customers need to provide at the party?

A typical party of 8 does require at least an 8x8 cleared space for our setup. Spa parties we need access to water and a place to dump used water. A refrigerator or cooler for the sparkling toast bottle(s). Parents/hosts are expected to be nearby if guests have needs outside of our party services and/or manage disruptive behaviors.

## When do you arrive to set up?

For most parties we will arrive an hour prior to the start of the party to set up. For parties with certain additional services we will typically arrive 90 minutes prior to the start of the party.

## Is gratuity required?

While gratuity is not required, we are a service-based business providing a full-service experience, so tips are very much appreciated for stellar service by our hard-working hostesses. All tips are split evenly amongst hostesses of your party.

## Are services provided by licensed beauty professionals?

No, we are a children's party planner and entertainment provider. At this time, we do not have services performed by nail techs, cosmetologists, or aestheticians. We do not cut nails or cuticles. We do not use heating tools on hair. We use pre-packaged and sensitive skin-safe products.
